

Evaluator Console Agreement

Dear EMC Certified Dealer,

The purpose of this form is to educate the EMC Certified Dealer Network on the WARNINGS associated with the operation of the EMC Evaluator Console (EC-Series). **This signed form is a requirement before EMC will ship the EC-Series to your facility.** If you have any questions regarding this form, please direct them to EMC Sales at (207) 512-8009 ext. 200.

By signing this, you are aware of your responsibilities as an EMC Certified Dealer with regard to the safe operation of an AEVIT 2.0 equipped vehicle using the EC-Series. This includes educating of the safe operation of the EC-Series for any Driver Rehabilitation Specialist(s) that may borrow or lease the console for training purposes.

WARNINGS:

THE FOLLOWING INFORMATION IS EXTREMELY IMPORTANT AND FAILURE TO ADHERE TO THESE INSTRUCTIONS COULD RESULT IN SEVERE INJURY AND/OR DEATH:

1. THIS EC-SERIES IS DESIGNED TO BE OPERATED BY A PROFESSIONAL DRIVING REHABILITATION SPECIALIST OR EMC CERTIFIED TECHNICIAN. EMC RECOMMENDS A MINIMUM OF 40-60 HOURS OF ON-THE-ROAD TRAINING WITH THIS DEVICE **BEFORE** USING THE CONTROLLER FOR CLIENT/EVALUATOR TRAINING.

2. WHEN THE EC-SERIES IS IN WHEEL/JOYSTICK (WJ) MODE, ACTIVATION OF EITHER OVERRIDE SWITCHES WILL IMMEDIATELY TRANSFER CONTROL OF THE VEHICLE TO THE EC-SERIES, RENDERING THE DRIVER'S INPUT DEVICE INOPERABLE. FAILURE TO PROPERLY TRACK THE EC-SERIES WHEEL TO THE CLIENT'S INPUT PRIOR TO ACTIVATION OF THE EC-SERIES MAY CAUSE LOSS OF VEHICLE CONTROL.

3. UNINTENDED ACTIVATION OF EITHER OVERRIDE SWITCH MAY CAUSE LOSS OF VEHICLE CONTROL.

4. ACCESS TO THE EVALUATOR PROGRAMMING SECTION IS STRICTLY LIMITED TO CERTIFIED EVALUATORS AND TECHNICIANS. CHANGING THE SETTINGS MAY ALTER THE SENSITIVITY OF THE INPUT DEVICES WHICH MAY CAUSE LOSS OF VEHICLE CONTROL.

5. CHANGING THE SETTINGS FROM WITHIN THE EVALUATOR MENU FOR GAS/BRAKE ONLY OR STEERING ONLY DOES NOT DISABLE THE DRIVE MODULES. THE GAS/BRAKE AND/OR STEERING SERVOMOTORS WILL STILL FUNCTION WHEN THE INPUT DEVICE IS OPERATED. THE INPUT DEVICE(S) SHOULD BE LOCATED OUT OF THE REACH OF CLIENT DURING TRAINING.

Please sign this form as proof that you understand the significance of above stated WARNINGS and your responsibilities as an EMC Certified Dealer.
