

## WARRANTY VALIDATION

In order to validate the EMC Warranty, the front and back of this form must be completed and returned to EMC. Your AEVIT Serial Number, found on the EMC Invoice, must be documented in the box provided below. Also, the following check list of **Final Testing Procedures** must be initialed and dated by the trained technician performing the work. This is verification that all procedures were completed according to the EMC installation instructions. If a question arises concerning one of these steps, contact EMC immediately for assistance.

AEVIT Serial Number: \_\_\_\_\_

## Final Testing Procedure

[illegible]

Test driven 50 miles must be performed by an EMC certified technician. Signature: \_\_\_\_\_

The AEVIT System should be serviced on a regular basis. EMC suggests an initial inspection after 6,000 miles or 6 months of driving the AEVIT and then again every 12,000 miles or 1 year thereafter, for the life of the system. The system should always be maintained in a condition which meets all of the above testing requirements. Routine service inspections should include each step of the **Final Testing Procedures** as well as the following: (See installation manual for further details).

Gas / Brake

- Inspect/Replace AEVIT Accelerator Cable. The cable should be replaced every 3 years or 36,000 miles. Cable replacement must be performed by an EMC Dealer only.
- Inspect Input Device for signs of wear due to excessive loading.
- Inspect/Test Vehicle Brake System.
- Inspect/Test EMC Park Brake.
- Verify Current Software Revision.
- The AUXBAT battery should be replaced at least every 2 years or 24,000 miles of operation.
- Inspect Wire Connections.
- Inspect/Test Engine Kill. (Calibrate Gas)

## Steering

- Inspect Encoder and Encoder Gears
- Inspect Clutch Mechanism
- Inspect Input Device for signs of wear due to excessive loading.
- Inspect Vehicle Power Steering System
- Verify Current Software Revision
- Test AUXBAT (The AUXBAT battery should be replaced every 2 years or 24,000 miles of operation.)
- Inspect Wire Connections.

**WARNING!! If wear is observed in any component, notify EMC immediately!**

**WARNING!!** Never attempt to operate the AEVIT if the audible alarm is sounding or a diagnostic code is present on the AEVIT 2.0 Display Screen.

## END USER CERTIFICATION

The purpose of this Warranty Validation Form is to ensure that you have received the Owner's Manual and that you understand the service requirements associated with this system. Each of the above procedures must be completed and initialed by an EMC dealer. Please read the following statement and sign below: I hereby certify that the AEVIT function and operation, including System Boot-Up/Boot-Down and Engaging/Disengaging procedures, has been thoroughly explained and/or demonstrated to me as outlined in my Owner's Manual. Further, I have been made aware of the EMC warranty policy and service requirements. I understand that all work performed on this unit must be completed by an EMC Dealer. Also, I am aware of my responsibility to meet the above recommended maintenance schedule and to maintain proper records of all work / service performed on my system, and I understand that my warranty coverage is dependent on whether or not up to date service records are maintained. Finally, I have been given a copy of the Limited Warranty and the Owner's Manual.

Please make sure your dealer gives you a copy of this document for your records prior to mailing it to EMC

## LIMITED WARRANTY

ELECTRONIC MOBILITY CONTROLS, LLC ("EMC") warrants the product against defects in materials or workmanship only as set forth below.

It is the End user's responsibility to initial below. By initialing you understand the terms of your Limited Warranty, and acknowledge that your EMC dealer has reviewed the terms set forth with you.

### WARRANTY PERIOD

#### AEVIT 2.0

\_\_\_\_\_  
INITIAL HERE

For a period of 5 years, from the date of invoice to your EMC Dealer, EMC will repair or replace, at it's option, any of the following components found to be defective in materials or workmanship:

- Servomotor(s), Display, Input Device(s), Vehicle Interface Module, Drive Module(s), Control Module, and Chassis

For a period of 1 year from the date of invoice to your EMC Certified Dealer all other components found to be defective in materials or workmanship will be replaced or repaired at the discretion of EMC.

### WHAT IS NOT COVERED

EMC is responsible ONLY for repair or replacement of the covered product, at EMC's option, by EMC, and is NOT responsible for any incidental costs or expenses incurred as a result of any defect in any EMC product. Items not covered by this warranty:

\_\_\_\_\_  
INITIAL HERE

- Cost (including parts and labor) of: transporting your vehicle to an EMC Dealer, removing the product from your vehicle, shipping the product to EMC or reinstallation of the product in your vehicle.

\_\_\_\_\_  
INITIAL HERE

- Cost (including parts and labor) of: roadside assistance, towing, replacement vehicles, or alternate transportation.

\_\_\_\_\_  
INITIAL HERE

- Malfunction or damage caused by fire, accident, misuse, abuse, lack of proper maintenance, neglect, improper installation, improper adjustment, unauthorized modifications or alterations, repairs or attempted repairs by unauthorized persons, maintenance by unauthorized persons, the mechanical condition of your vehicle, road hazards, failure to follow operating instructions, and/or act of God or Nature (i.e., weather, lightning, floods, etc.).

\_\_\_\_\_  
INITIAL HERE

- Normal wear and tear, including deterioration of trim and other appearance items from use or exposure to sunlight.

### AEVIT INSTALLATION & MOUNTING REQUIREMENTS

\_\_\_\_\_  
INITIAL HERE

The proper installation of the AEVIT Display is essential for the functionality and performance of the AEVIT System, and for the safety of the End User operating the AEVIT System. Failure to adhere to the installation guidelines outlined below may adversely affect the operation of the AEVIT System, compromise operator safety, and will lead to a voiding of warranties, liabilities, and support obligations. By initialing, I understand and confirm that the following installation requirements were followed for the AEVIT Display:

**Clear Line of Sight:** The AEVIT Display must be installed in a location that provides a clear, unobstructed line of sight for the customer. The installation must ensure that the AEVIT Display is easily visible and readily monitored by the customer during regular use of the AEVIT System. The positioning of the AEVIT Display should not be hindered by physical barriers or obstructions that could impair its visibility, functionality, or the operator's ability to safely interact with the AEVIT Display.

Non-compliance with these installation requirements may result in the improper functioning of the AEVIT Display and the AEVIT System, compromise the safety of the operator, and will lead to the forfeiture of any warranty coverage, liability, or customer support associated with the product.

\_\_\_\_\_  
INITIAL HERE

By initialing, I understand the AEVIT 2.0 Warranty. Additionally, I understand that EMC is not liable for labor costs charged by an EMC Dealer for service issues, including the removal and re-installation of my EMC equipment.

I, the undersigned, have read, fully understand and accept the terms and conditions of the EMC Limited Warranty. I understand that EMC is not responsible for labor costs associated with warranty claims

### END USER'S DUTIES

\_\_\_\_\_  
INITIAL HERE

The End User must maintain and service the product and comply with all cautions, precautions and warnings as set forth in the AEVIT Owner's Manuals. This warranty is void if the normal maintenance, cautions, precautions or warnings are not followed.

### HOW TO OBTAIN WARRANTY PERFORMANCE

\_\_\_\_\_  
INITIAL HERE

Transport the vehicle in which the product is installed to the nearest EMC Dealer. To find the location of the nearest EMC Dealer, please contact EMC's Service Department at (207) 512-8009. The EMC Dealer must then contact EMC to obtain Return Authorization before removing the product or component from your vehicle. Once EMC has issued Return Authorization, a technician trained to service EMC equipment must remove the product or component from your vehicle and ship it to EMC at your expense. EMC will not accept the return of any product or component unless EMC has issued prior Return Authorization.

To be effective, EMC or an authorized dealer must receive written notice of any claimed defect within the applicable warranty period.

### EXCLUSION OF CERTAIN DAMAGES

\_\_\_\_\_  
INITIAL HERE

EMC'S LIABILITY FOR ANY DEFECTIVE PRODUCT OR COMPONENT IS LIMITED TO THE REPAIR OR REPLACEMENT OF SAID PRODUCT OR COMPONENT, AT OUR OPTION, AND SHALL NOT INCLUDE DAMAGES OF ANY KIND, WHETHER INCIDENTAL, CONSEQUENTIAL OR OTHERWISE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

This warranty extends only to the original retail purchaser from the date of the initial retail purchase and is not transferable.

\_\_\_\_\_  
INITIAL HERE

No EMC dealer or any other person is authorized to make any warranties other than those set forth in this limited warranty or to extend the duration of any warranties beyond the time periods set forth in this limited warranty on behalf of EMC.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
